

## MAYOR'S MESSAGE

Dear Community,

This is a sad month in my household, for my three boys, but an exciting month for my friend Conrad. School is starting in a few weeks, and summer is coming to an end. I know that there are numerous parents who are looking forward to school starting. Make sure to get out and enjoy the sunshine before it fades to the gray skies we are unfortunately used to. As a reminder for school, please drive safely. There will be a number of kids out walking to/from school and waiting for the bus.

Speaking of summer, I hope all of you enjoyed the SummerStage concert series. These concerts are a great addition to all of the different summer events our community has each year. I don't know if it is just me, but each summer the events get better and better.

With this great weather I know many folks like to take their dogs for a walk. When you do, please pick up after them. I have received several comments from folks who are out walking and run into a pile of dog poop. I personally have noticed it on the new trails on 3<sup>rd</sup> Avenue. So please be considerate and pick up after your dogs. Thank you.

Finally, I want to thank the Duvall Chamber of Commerce for organizing the Garden Tour that took place in July. It was a great event that I hope will be back next year.

Thank you,

Will Ibershof

## NEVER FORGOTTEN - 9/11 REMEMBRANCE FLAG CEREMONY

Join the Carnation-Duvall Police Department and King County Fire District 45 at a flag ceremony on Sunday, September 11<sup>th</sup> to commemorate those fallen during the tragedy 10 years ago.

The Ceremony will be held at the Duvall Fire Station flag pole and will begin at 6:45 a.m. with milestones recognized by dispatch at 6:59 a.m. and 7:25 a.m. All members of the public are invited to attend. The best view will be from the sidewalk on the west side of 1<sup>st</sup> Avenue.

## SCHOOL IS IN - SAFETY REMINDER

It is that time of the year that our sidewalks and street corners will have our children walking to school or waiting for the school buses.

The Police Department would like to remind drivers to slow down in school zones and know bus routes. The school zones will be strictly enforced to protect the safety of our students, parents, and school staff.

Please remember – regardless of the direction you are traveling,  
**YOU MAY NOT PASS A SCHOOL BUS WITH FLASHING LIGHTS OR THE STOP SIGN EXTENDED** - this indicates loading/unloading.

CDCC is offering CERT (Community Emergency Response Team) training on Mondays in Duvall starting September 12<sup>th</sup> through November 7<sup>th</sup>. ## HELP DUVALL KEEP STREETS CLEAR OF LEAVES AND PROTECT YOURSELF FROM FLOODING

**W**hy? Clean storm drains help prevent localized flooding. City crews work to keep storm drains clear, but with 1,923 drains in Duvall we could use your help!

What are storm drains? Storm drains are rectangular grates with slats and are normally near the edge of the street.

What should I do with all the leaves?

- Check storm drain grates frequently to make sure they are free of leaves and debris.
- Do not remove the grate from the storm drain opening. This does not unclog the system and creates a hazard for everyone.
- Rake leaves away from storm drains near your house or business.
- Dispose of leaves in your yard waste container or compost bin.

Need Assistance? If flooding is severe and you are unable to clear the drain, please call Public Works at 425-788-3434.
